

A. W. Eriksson, J. Fellman, H. Forsius, W. Lehmann, T. Lewin en P. Luukka

The origin of the Lapps in the light of recent genetic studies. Proceedings of the 3rd int. Symp. Circumpolar Health, Yellowknife, July 8-11, 1974.

A. W. Eriksson

Consequences of inbreeding. a. Paper read at the NATO Advanced Study Inst. on Demographic Aspects of the Biology of Human Populations, San Rocco, Erice, Sicily, 16-30 August, 1974. b. Report and abstracts of the International School of Human Biology Workshop on: Demographic Aspects of the Biology of Human Populations, San Rocco, Erice, Sicily (Ed. G. Lasker, B. Chiarelli & C. Bullo). 1974.

A. W. Eriksson

Twinning in Scandinavia. a. Paper read at the NATO Advanced Study Inst. on Demographic Aspects of the Biology of Human Populations, San Rocco, Erice, Sicily, 16-30 August, 1974. b. Report and abstracts of the International School of Human Biology Workshop on: Demographic Aspects of the Biology of Human Populations, San Rocco, Erice, Sicily (Ed. G. Lasker, B. Chiarelli & C. Bullo). 1974.

A. W. Eriksson

Studies on Lapps. a. Paper read at the NATO Advances Study Inst. on Demographic Aspects of the Biology of Human Populations, Erice, San Rocco, Sicily, 16-30 August, 1974. b. Report and abstracts of the International School of Human Biology Workshop on: Demographic Aspects of the Biology of Human Populations, San Rocco, Erice, Sicily (Ed. G. Lasker, B. Chiarelli & C. Bullo). 1974.

R. R. Frants

Isolation of white patch oxidase from human red cells. *Acta Acad. Aboensis*, Ser. B. 33, (1973), blz. 14.

Studies on the white patch oxidase effect. *Acta Acad. Aboensis*, Ser. B. 33, (1973), blz. 15. Studies on the influence of zinc ions on the activity of white patch oxidase. *Acta Acad. Aboensis*, Ser. B. 33, (1973), blz. 16.

Isolation of superoxide dismutase from bovine liver. *Acta Acad. Aboensis*, Ser. B. 33, (1973), blz. 17.

On the occurrence of two superoxide dismutase systems in bovine tissues. *Acta Acad. Aboensis*, Ser. B. 33, (1973), blz. 18.

Cardiologie

J. P. Roos

Hartklepafwijkingen door bacteriële endocarditis; in: *Ned. Tschr. v. Geneesk.*, 41, (1973), blz. 1525.

G. H. A. C. Norro en J. P. Roos

De insufficiënte sino auriculaire knoop („sick sinus syndrome”); in: *Ned. Tschr. v. Geneesk.*, 11, (1974), blz. 365.

G. H. A. C. Norro, L. M. Pothuizen en J. P. Roos

Isolated tricuspid endocarditis; in: *Acta Cardiologica*, 2, (1974), blz. 157.
