

C. A. de Lange

An NMR study of trimethyl acetic acid in a nematic phase; in: Chemical Physics Letters, 28 (1974), p. 526.

C. MacLean

Fourier NMR spectroscopie met hoog oplossend vermogen; in: Chemisch Weekblad, 70 (1974), p. 24.

B. J. M. Neijzen, R. F. Schmitz, G. W. Klumpp and C. A. de Lange

$n-\pi$ interactions in homoallylic methyl ethers. A photoelectron spectroscopic study; in: Tetrahedron, 31 (1975), p. 873.

G. J. den Otter, J. G. van Dalen and C. MacLean

An NMR study of trifluoroethene partially oriented in nematic solvents; in: Chemical Physics Letters, 33 (1975), p. 463.

G. J. den Otter

NMR in nematic solvents; Proefschrift Vrije Universiteit, 1975.

G. J. den Otter, C. A. de Lange and J. Bulthuis

An NMR investigation of partially oriented CHF_3 and CH_2F_2 including ^{13}C satellites; in: J. Magn. Resonance, 20 (1975), p. 67.

H. W. Vos, Y. W. Bakker, N. H. Velthorst and C. MacLean

The proton exchange reaction between indene and indenyl anion; in: Organic Magnetic Resonance, 6 (1975), p. 574.

Thermochemie

Dr. C. Mosselman en H. Dekker

Enthalpies of formation of n-alkan-1-ols; in: J. Chem. Soc. Faraday Transactions I, 71 (1975), p. 417.

Dr. G. Somsen en Dr. C. de Visser

Molar heat capacities of binary mixtures of water and some amides at 298.15 K; in: Z. Physik. Chem. N.F. 92 (1974), p. 159.

Dr. G. Somsen, Dr. C. de Visser and Drs. W. J. M. Heuvelsland

Enthalpies of solution of some tetra-alkylammonium bromides in binary mixtures of water and some amides; in: J. Solution Chem. 4 (1975), p. 311.

Dr. G. Somsen, Dr. C. de Visser and Drs. H. J. M. Grünbauer

Enthalpies of solution of urea in binary mixtures of water and some amides; in: Z. Physik. Chem. N.F. 97 (1975), p. 69.
