

1. The first part of the book is devoted to a general survey of the history of the subject, from the earliest times to the present day. It is divided into three main sections: the first dealing with the history of the subject in general, the second with the history of the subject in the United States, and the third with the history of the subject in Europe.

2. The second part of the book is devoted to a detailed study of the subject in the United States. It is divided into two main sections: the first dealing with the history of the subject in the United States from the earliest times to the present day, and the second with the history of the subject in the United States from the present day to the future.

3. The third part of the book is devoted to a detailed study of the subject in Europe. It is divided into two main sections: the first dealing with the history of the subject in Europe from the earliest times to the present day, and the second with the history of the subject in Europe from the present day to the future.

4. The fourth part of the book is devoted to a detailed study of the subject in the future. It is divided into two main sections: the first dealing with the history of the subject in the future from the present day to the future, and the second with the history of the subject in the future from the future to the future.

5. The fifth part of the book is devoted to a detailed study of the subject in the future. It is divided into two main sections: the first dealing with the history of the subject in the future from the present day to the future, and the second with the history of the subject in the future from the future to the future.

6. The sixth part of the book is devoted to a detailed study of the subject in the future. It is divided into two main sections: the first dealing with the history of the subject in the future from the present day to the future, and the second with the history of the subject in the future from the future to the future.
